Leading resource sustainability

The opportunities that remain in recycling

Paul Levett, Chairman

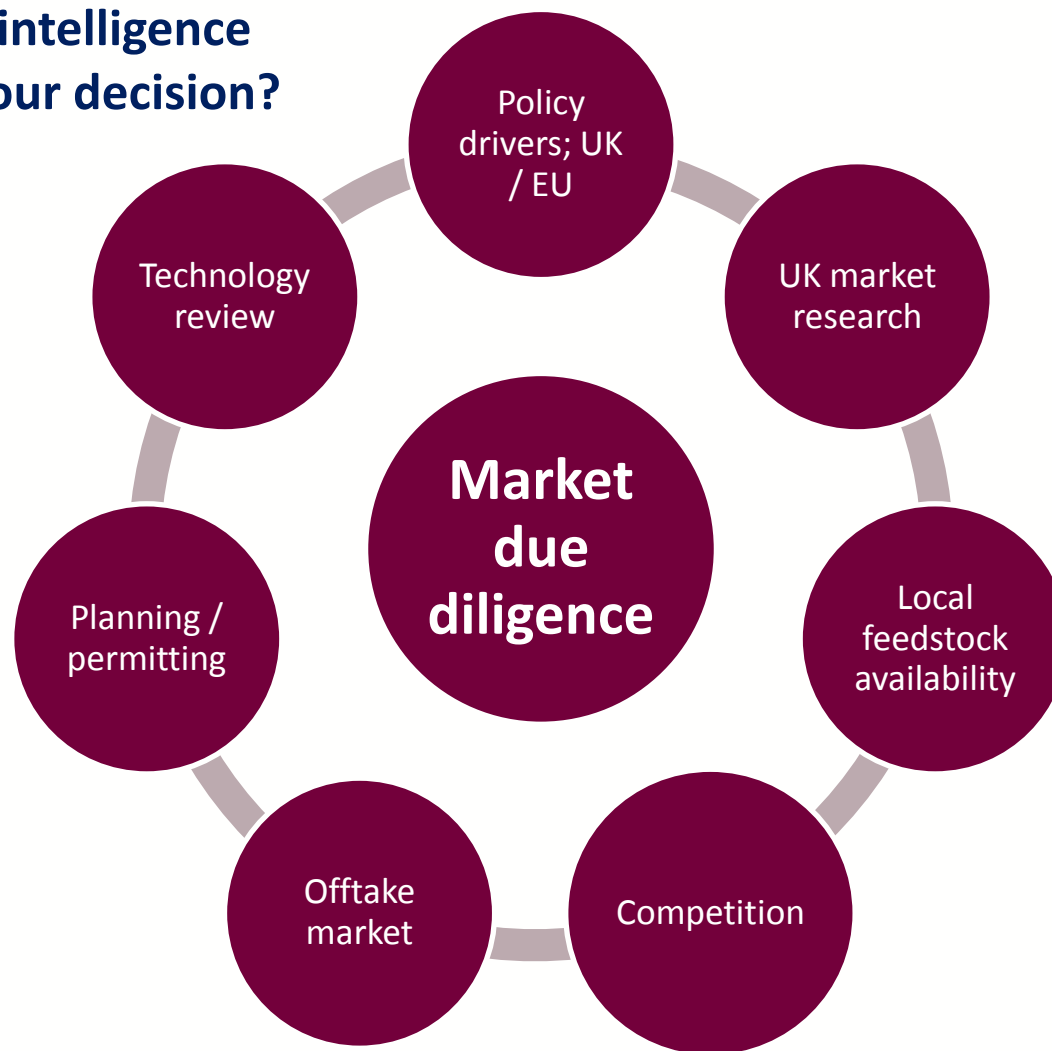

The recycling business model

- Collection
- Sorting +/-
- Quality
- Incentives
- Residue
- Disposal cost savings
- Logistics
- Scale
- Demand
- Regulation/tax/exports
- Technology/funding
- Winners and losers

Information is king!

How can market intelligence help you make your decision?

LRS helps organisations to prevent waste, be more competitive and efficient, and meet their corporate objectives
